

**Application to Science of Natural and Environmental Systems
Double Major**

Students interested in double majoring in Science of Natural and Environmental Systems (SNES) should complete this application form, attach a copy of your academic record at Cornell, and return to Suzanne Wapner, Room 8 Fernow Hall. After a review of your application, an interview will be scheduled with the Advising Coordinator. If you should have any questions, please call us at 255-1269.

Name _____ CU ID # _____

E-mail _____ College _____

Current Major _____

Current Advisor/E-mail _____

Phone # _____ Proposed SNES Advisor (if you have an idea, & e-mail) _____

Local address _____

Current Year (Fresh, Soph, Jr, Sr) _____

Anticipated Graduation Date (May/Jan/Year) _____

How did you become interested in transferring into the Science of Natural and Environmental Systems major?

Please list the courses that you have taken and/or are presently enrolled in that are foundation or core courses for the SNES major (list course and year; e.g., NTRES 2010 S04)

Have you reviewed the curriculum requirements for this major? Do you feel confident that you can complete this coursework within the timeframe that you have remaining?

If you had to choose a concentration now, which SNES concentration is of most interest to you?

On the reverse side of this sheet (or attach a separate sheet) please tell us why you want to add SNES as a second major and what you hope to get out of this major.

**** Please return with a copy of your academic record ****
